KIMBA M. WOOD, U.S.D.J.:

15 CR 317 (KMW)

ORDER

Because the Joint Proposed Voir Dire questions will take a particularly long time to answer (because of their sheer number, and because some require more time to reflect before answering than typical voir dire questions), I propose that many of them be asked in a written questionnaire, that the Jury Administrator could administer to prospective jurors a week or more before trial.

Counsel are asked to consider this, to confer with one another, and then to schedule a conference to discuss this, either in person, or on the telephone.

SO ORDERED.

DATED: New York, New York  
October 26, 2015

United States District Judge
